Warranty Information

IMPORTANT – The warranty on this product is VOID if the product is not properly installed, or has been modified or altered in any way. If you believe that modification will be required to fit an MRT Exhaust System on your vehicle, **please contact** MRT for assistance **BEFORE** making any modifications to the system.

Instructions

FIGURE 1

STEP 1: Remove factory NPP/AFM valve from exhaust using an 8mm wrench. (fig 1)

Figure 2

STEP 2: Install the MRT Power Plate™ using the factory hardware. (fig 2).

STEP 3: Plug the NPP/AFM valve to the factory harness, retain NPP/AFM valve in a safe location where it is not going to contact any moving parts. No tuning is required. Time for a test drive!
