

## **Pedal Commander Warranty**

Each Pedal Commander purchase comes with a 2-year product warranty with proof of purchase. This warranty applies to Pedal Commander units purchased directly from an authorized reseller or Pedal Commander website. Pedal Commander will repair the defective unit at no charge. In the event that Pedal Commander determines that the unit is not repairable, the product will be replaced (the defective product will be replaced with a new Pedal Commander unit in the first 30-days as of date of purchase, and for units purchased outside of the 30-days, the Pedal Commander unit may be replaced with a refurbished unit). This warranty is not transferable and is voided if you sell the unit or if you purchase it from a third party and/or an unauthorized reseller. Warranty does not apply to defects due directly or indirectly to misuse, negligence, abuse, repairs or alterations by anyone outside of Manufacturer.
