

Race Star Warranty

Lifetime Structural Integrity Warranty – Revision: 10/15/2017

Race Star Industries warrants that all wheels carrying the Race Star Industries name are free of structural, manufacturing or material defects, resulting in a structural failure, such as cracking or air loss, if used under normal and intended use of this warranty.

Concentricity Warranty

Race Star Industries warrants that all wheels are true within .028 radial and lateral run out. Warranty claims for lack of concentricity or out of round is limited to the first ninety days of ownership. Check wheels for out-of-round before mounting tires on the wheels, and/or within 90 days of purchase.

Normal and Intended Use

Race Star Industries wheels are engineered and intended for normal street and offroad use as specified. Factory warranty will become void if used on any type of sports racing or road racing.

Finish Warranty

Polished Finish: Polished wheels do not have a protected finish and will tarnish. Therefore, they are not covered by any finish warranty either expressed or implied. Once mounted, the dealer or consumer accepts the finish of the wheel as is and there is no further finish warranty.

Painted Wheels: High Power Pressure Washer can cause Finish Delamination on All Painted Wheels. There is no warranty for damage due to High Power Pressure Washer Damage.

Exclusions & Limitations

All warranties are extended to the initial retail purchaser only and are not transferable. Proof of purchase is required in every case. If initial purchaser provides proof of purchase and deemed a warranty wheel by Race Star Industries, Race Star Industries will provide a replacement wheel at no cost to purchaser. Refunds will be at the sole discretion of Race Star Industries.

Exclusions from warranty coverage include damage or degradation caused by accident, abuse, fire, overload, modification, physical impact or exposure to harsh chemical agents. The replacement wheel may be a new or otherwise improved part. As such, it is not the responsibility of Race Star Industries to match the remaining vehicle wheels to the new part.

This is a Limited Warranty. Therefore, no warranties or representations expressed or implied, including and implied warranty of merchantability for fitness for particular purpose, which extends beyond the descriptions and limitations of the face hereof and none shall be implied by law. Race Star Industries neither assumes nor authorizes any dealer, Representative, or other person or entity to assume for it any obligation or liability in connection with Race Star Industries products, uses, or applications. Race Star Industries further reserves the right to make changes or improvements in design, materials, or specifications or make replacement products without incurring and obligations to replace, change or improve products

manufactured prior hereto. Race Star Industries will not be responsible for any damage or loss caused by delays, failure, or any consequential damage, regardless of cause. Race Star Industries will not be responsible for labor, transportation, or any other charges incurred in the replacement or repair of a defective part. This warranty does not limit your rights which may be available under individual State Laws.

The Warranty is Void if:

The wheel is damaged in shipping, installer error, misuse, accident or negligence, or has been repaired or altered by anyone other than Race Star Industries. If the wheel was overloaded or used in an application other than its specified use. If you mount tires on wheels prior to test fitting wheels on cars, you own the wheels. Returns require prior written authorization with a RA number.
